

# IT'S MORE **POWERFUL** THAN SPORTS

When you support the GLASA mission, you become part of our legacy and the team, because every single contribution changes the lives of our athletes. It's more than just a game. It's bigger than sports. And when you contribute, you become part of a remarkable journey.

**Be part of the legacy.**

## We can't do what we do without you.

Did you know that nationally only 14% of individuals with disabilities have a college degree? Since 2016, 100% of GLASA's high school seniors have gone on to college. This is the impact our donors make!

Support our mission and help our GLASA athletes with physical or visual disabilities participate in adaptive and Paralympic sports.

### Our Mission

Empowering youth, adults and injured military personnel with physical or visual disabilities to be healthy and active through sports and recreation participation.

### Our Impact

GLASA supports more than 1,000 athletes nationwide with virtual and local programming, year-round coaching, training and peer mentoring in 20+ adaptive sports. We approach everything with a spirit of inclusion by integrating able-bodied competitive and recreational athletes alongside athletes with disabilities. Our programs are for any skill level and all ages.

“None of these opportunities are available without equipment. Wheelchairs and other para-equipment are outrageously expensive. Thank you to everyone who has donated and made it possible for GLASA athletes. You are changing lives. ”

**Amie Day – GLASA Track Coach and Former Paralympian**

“Exposure to multiple adaptive sports allows you to find yourself. You never know what you might be good at until you are exposed to it. I am very thankful because GLASA allows individuals to have a better quality of life, through finding a sport that you might enjoy and have success.”

**Roosevelt Anderson – GLASA Wheelchair Tennis Athlete**
